RECOMMENDATIONS

	Rate / Ha	Timing
Spray	<i>Use at your regular dilution rate</i>	
Broadacre	9-12L/ha	When sowing into prepared seed bed, it is best applied using a gravity fed opener or air seeder as a band 5cm or 2inches of sub-surface. Alternatively can be used as a top dress in crop.
Horticulture	5-7L/ha	When applied Pre-plant used via belt spreader along drip line or in the bottom of a dug hole before the planting of a tree vine, alternatively can be blanket spread.
Pastures	15-20L/ha	When sowing into prepared seed bed, it is best applied using a gravity fed opener or air seeder as a band 5cm or 2inches of sub-surface. Alternatively can be used as a top dress in crop.

APPLICATION

AGITATE WELL BEFORE USE

Conditions of use: Apply as a foliar spray or through drip sprinkler, irrigation or sprayer. Apply product to the soil to provide an inoculation of active microorganisms. Screened to 80 micron and under. Minimise heavy irrigation of the root zone in the first five to seven days to mitigate leaching of spores and active organisms' pre-colonisation.

Compatibility: Compatible with most fungicides, pesticides and herbicides except for Group B herbicides. Contact LawrieCo / your distributor for further compatibility information

STORAGE: Containers must be clearly labelled. Store away from strong oxidisers, strong acids and out of direct sunlight.

DISPOSAL: Dispose of container to an approved waste disposal plant. Waste product can be added to any soil or into compost/green waste for disposal.

GENERAL: If medical advice is needed, have the product container or label on hand.

SAFETY DIRECTIONS Wash hands and exposed skin thoroughly after handling. Wear eye protection.

Dispose of contents/container to an approved waste disposal plant in accordance with local regulations.

FIRST AID RESPONSE

If Inhaled: Remove victim to fresh air and keep at rest in a position comfortable for breathing. If symptoms persist seek medical advice.

If Swallowed: (do NOT induce vomiting) rinse mouth and give plenty of water to drink. Contact a doctor if any symptoms arise.

If in Eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical attention

If skin or hair contact occurs: Wash with plenty of soap and running water. If skin irritation occurs get medical attention.

If any symptoms persist get medical advice/attention or contact a Poisons Information Centre (phone 13 11 26)

Additional info refer to Safety Data Sheet (SDS Code: 8070)

Warning Do not swallow. The spray from this product may act as an irritant. Avoid inhalation and contact with the eyes and skin.

Conditions of Sale The Manufacturer/Distributor warrants that this product contains the ingredients specified, and is fit for the purposes stated on this label, when it is used in accordance with directions, under normal conditions. Only the Manufacturer/Distributor is authorised to make any warranty, guarantee or recommendations concerning the product as the location, rate of application and other conditions are beyond the control of the Manufacturer/Distributor.
