

VERMI COMPOST

80% CHICKEN COMPOST 20% WORM CASTINGS
BIOLOGICALLY ACTIVATED NUTRITION

A chicken compost base 80%, enhanced with 20% biologically active, nutrient rich worm castings. Creating a cost effective yet highly effective nutrient and biological fertiliser and soil conditioner.

High in microorganisms and nutrients.

- A potent biological inoculant - delivering a diverse range of microbial species and stimulants that enhance soil biological function.
- Contains unique enzymes and vitamins that have the ability to chelate locked up soil minerals increasing their absorption by plants.
- A rich source of bio-active carbon, that is highly effective at increasing soil nutrient and water holding capacity.

TYPICAL ANALYSIS (w/w)

Nitrogen	2.47%	BIOLOGICAL ANALYSIS mg/kg	
Phosphorus	1.06%	Total MicroOrganisms	60.2
Potassium	2.21%	Total Bacteria	25.5
Sulphur	0.58%	Total Fungi	58.6
Carbon	15 %	Protozoa	1.14
Calcium	5.89%	Mycorrhizal Fungi	1.35
Magnesium	1.06%	Pseudomonas	2.23
Iron	0.69%	Actinomycetes	2.26
Copper	141 mg/kg		
Zinc	467 mg/kg	Humic and Fulvic	10-12%
Manganese	616 mg/kg	Bulk Density	450 kg / m ³
Boron	75 mg/kg	Screened to 18mm	
Molybdenum	10 mg/kg	Moisture Content	20-25%
Cobalt	4.7 mg/kg		

BENEFITS OF VERMI COMPOST

Vermi Compost is extremely rich in humic acids and helps increase soil's water retention, improve soil aeration and hold plant nutrients that would otherwise leach away.

RECOMMENDATIONS

Broadcast spread 1-10 m³ (0.45 - 4.5 tonnes) per Hectare.

Best applied at the beginning of the growing season at the first predominant root flush in permanent plantings. This ensures that an adequate level of biology and organic carbon infiltrates the root zone. In short term crops, best practice application is just prior to planting or at planting.

Compatible with many dry fertilisers. Rates and timings may change depending on soil type, rainfall & season. Always consult a LawrieCo Area Manager or distributor for specific recommendations. Check label for more detailed application and handling information.

Available in 1 Tonne bags or loose bulk (min 15 m³).
